Making A Donation

Time and time again, the credit union movement illustrates the power of cooperation. The spirit of cooperation is what makes the Credit Union Foundation of Nebraska so successful. It is our Foundation - our charitable platform for investing in the success of our credit unions, our employees and our communities. When combined, our contributions to the Foundation make a truly memorable impact.

With this cooperative model, we are able to foster the financial independence of all Nebraskans through credit unions.

The following contribution levels are based on asset size. Credit unions may choose to give more or less than the amount suggested:

- $2,750 Credit unions with assets of $250 million - $1 billion
- $2,250 Credit unions with assets of $100 million - $250 million
- $1,750 Credit unions with assets of $75 million - $100 million
- $1,250 Credit unions with assets of $50 million - $75 million
- $750 Credit unions with assets of $25 million - $50 million
- $350 Credit unions with assets of $10 million - $25 million
- $100 Credit unions with assets of less than $10 million

Please make checks/share drafts payable to: NCUF with CUFN included in the memo line.

Applying for a Foundation Grant

Foundation funds are available for a variety of purposes. Credit unions simply need to complete a “Request for Funds” application located on the CUFN page found on the League’s website. Each request will be reviewed by the CUFN Committee. Once a decision has been made, the credit union will be notified. If approved, the funds will be dispersed based on the Committee’s recommendation.
